

# Does your business need summer help?

Youth  
Opportunities  
Unlimited

## Want to help shape the future workforce?

Y.O.U. is recruiting businesses in Cuyahoga County to host students ages 14-19 for a short-term summer job. Y.O.U. participants can successfully support the work of entry-level positions within your company.

## Why host a young person during the summer?

- You'll provide the next generation of workers with opportunities to practice essential job skills.
- They bring enthusiasm, energy, excitement to learn, and a fresh perspective.
- Y.O.U. teens receive extra support, coaching, and training to ensure a successful experience.
